

## TEAMWORK FOLLOWUP COMMENTS

I will tell you why I say that. The program represents more than text on a peice of paper, I did and do meant every word of it from the depth of my heart. If we can't be team and work through our dificulties as a team, sharing both rewards as well as disapointments. The team won't be any better than one individual, and that's just not going to be good enough, if a real team of grown men are required to accomplish a great task.
